 - Large 10 point medium bold type font
 - Sharp, heat set offset, smudge resistant, dense black type
 - Bright white, high opacity, acid free Bible paper, excellent contrast
- Top quality binding
 - Superior glues exceeding industry spec on page pull strength test
 - Parallel binding for soft lay open feel
 - Aqueous coated & acid free cover for added wear protection
- Professional shipping
 - Discounted ship rates by the pallet
 - 1,764 Bibles per pallet
- Low cost
 - Text is in public domain, no royalties
 - White space was minimized
 - Paragraph format with imbedded verse numbers
 - No cross references, concordances, dictionaries, maps, or notes included
 - Special publisher project, no distribution markups
 - Project viability depends on printing 20 or more pallets (USA only)

This project was designed to achieve maximum readability, durability, and low price.

As people's vision deteriorates, the thick crisp 10 point type and great contrast will remain legible far longer than inferior products.

If you would like to know more about this project, please email your contact information to ukjv@bf.org. Referrals are appreciated. See also www.bf.org/ukjv.
